

PETE ATKIN
DRIVING THROUGH MYTHICAL AMERICA

- Pete Atkin's '70s albums have for a long time been notoriously hard to find, but now at last Edsel is proud to present them all in definitive editions with brand new detailed notes by Clive James and Pete Atkin themselves, all of Clive's remarkable lyrics, full discographical and session information, and many photos and documents not previously available (including Clive's own handwritten lyrics).
- Atkin's second album, originally issued in 1971, was his first with a full studio line-up and proved that his first LP was no flash in the pan, and includes many songs that Pete still performs to this day.

Sunlight Gate / The Pearl-Driller / No Dice / The Flowers And The Wine / Where Have They All Gone? / The Prince Of Aquitaine / Thief In The Night / Driving Through Mythical America / The Faded Mansion On The Hill / Practical Man / Lady Of A Day
